Wedding

HOBSON—GURR

South Minister United
Church at Lethbridge was the
scene of a pretty wedding, on
April 5th, when Chrissie, eldest
daughter of Mr. and Mrs. G.
L. Gurr became the bride of
L. A. C. Vernon Hobson
youngest son of Mr. and Mrs.
F. W. Hobson of Tees, Alta.
Rev. H. A. Mutchmor officiated.

The bride who entered the
church on the arm of her
father to the strains of the
wedding march, was lovely in
a gown of white sheer. Her
floor length veil fell from a
sweet heart halo and her bouquet
was of red roses. Attendants
were her sister, Miss Vera
Gurr and Miss Mildred Gatzki.
The former was attired
in a gown of blue net over
tulle and the latter in pink
sheer. They both wore coronets
to match their gowns and
carried bouquets of yellow
daffodils.

The groom was supported
by W. Gurr, brother of the
bride. B. Palamarchuk and
J. Garrett acted as ushers and
during the signing of the
register Mrs. H. E. Wilks sang
"I Love You Truly"

The bride's mother chose for
the occasion a two piece frock
of black crepe with corsage of
red roses.

Following the ceremony a
reception for relatives and
friends was held at the home
of Mrs. McLean.

The bride's table was centred
with a three tier wedding
cake set in mauve and green
tulle and flanked by tall yellow
papers.

Mr. Joe Craig proposed the
toast to the bride to which the
groom responded: The couple
will reside in city.

Mr. Hobson was a former
resident of Chinook.

Of This and That
This column is now nearly four
years old. Writing it is something
like speaking over the radio, in that
the audience is unseen and unknown.
There is no heckling, but neither is
there any applause! Of course, we
are often obliged to deal with
distasteful subjects such as disease,
insects, weeds, soil erosion, etc.

When this department, now
known as Line Elevators Farm
Service, was organized, we were
glad to make ourselves useful to
farmers. This we have endeavored
to do and, judging from the
demands made upon our services
and publications, our efforts have
not been in vain. In case this
seems self-satisfied, we confess
disappointment in the response to our
weed identification service. Last
year, about 500 specimens were
sent in by Line Elevator agents for
their farmer patrons. This is not
enough. It would not be so dis-
appointing if provincial depart-
ments of agriculture and experimen-
tal farms were kept busy naming
weeds, but they are not.

No farmer can plan weed control
measures intelligently unless he
knows the weeds. Many farmers
have become involved in very
heavy expense because an unident-
ified perennial such as leafy spurge,
gained a solid foothold before it
was recognized. These two state-
ments merit attention. It is not
much trouble to take specimens to
a Line Elevator agent, and the
identification is accurate because
when in doubt we appeal to the
Division of Botany, Ottawa. If
you prefer to send directly to a
government department, by all
means do so. But send unknown
weeds somewhere.

THANK YOU CANADA
... but there's still a WAR JOB to do!

CANADA NEEDS 20,000 TONS OF WASTE PAPER EVERY MONTH

WHAT IS WANTED: You can remedy this
critical paper shortage by saving every scrap of
waste paper, namely: wrapping paper—store
bags—cardboard—cartons—corrugated board
—old magazines and books—envelopes and
letters—newspapers. These represent the
raw material for making vitally needed
paper containers.

HOW TO DO IT: Tie securely in separate
bundles. (The little time you take will save
thousands of man hours.) Then dispose of it
through your local voluntary Salvage Commit-
tee or other War Voluntary Organization, or
sell it through any known trade channels, your
pedlar or others. The important thing is to get
your Waste Paper moving to the mills.
